Business Coal Mining
Company Status PMDN

Financial Performance: The Company booked net income at IDR 27.089 billion in 2011, increase compare to net income booked in 2010 at IDR 13.320 billion.

Brief History: The Company started Atlas Resources in 2007 with the aim of becoming a premier Indonesian coal producer through a strategy of rapid asset growth via acquisition, exploration and development, with an initial focus on smaller-scale regional coal concessions. This approach has been extensively developed, tested and refined, and in the ensuing years The Company have established a proven track record in the development of coal assets, expanding our portfolio of concession areas from 3 to 16, with an aggregate of roughly 195,000 hectares, across multiple sites with distinct geology, diverse geography and disparate markets.

Throughout our rapid expansion, The Company have sought to nurture an entrepreneurial culture that prizes agility, creativity and integrity at each level of our organization, while fostering strong relationships within the communities in which The Company operate as The Companyll as with our local and international business partners.
