Company Status PMDN

Financial Performance: The Company booked net income amounted IDR 44.249 billion in 2011, increasing from IDR 40.432 billion booked in last year.

Brief History: The company started its commercial operations in 1970. The company's scope of activities is mainly in the hotelier business with all the facilities and infrastructures, such as accommodation, office, shopping mall, apartment, recreation place, and entertainment in the location of hotel. Following expansion undertaken in 1976 the Jayakarta Hotel was renamed Jayakarta Tower. The hotel has had a four star rating since 1989, and the company had undertaken a further expansion, bringing the total number of rooms to 435. At the end of July 1991, the company expanded its business to found PT PNS Investment located in Dallas, Texas, USA, which owned the Radisson Central Hotel. The Radisson Central Hotel has 288 rooms while the Twin Sixties Tower Building has a rentable floor area of 224.7 Square feet. The company also grew by taking over Anyer Beach Hotel, comprising 35 bungalows with 106 rooms, and Cisarua Mountain Hotel in West Java, comprising 13 bungalows with 38 rooms. On February 1998, the company sold Radisson Hotel in Dallas, USA, for US\$ 29 million. This transaction could strengthen the capital structure of the company and therefore it might record a net profit of Rp 3.54 billion. In June 1999, the company explained that on December 18, 1998 it had sold the assets of a subsidiary, as approved by the General Shareholders Meeting. This divestment had three phases. First came restructuring to avoid state taxes: the legal domicile of the subsidiary was transferred from the state of Texas to Nevada, which imposes no state tax on such transactions. Second, the assets were sold after the restructuring was complete. Third, the ownership of PT Pudjiadi & Sons in this empty shell company was sold to PANIS Equity, Inc., so that PT Pudjiadi & Sons no longer had to pay corporate tax in the USA. By selling off its assets in Texas Dallas for a considerable capital gain, the company has managed to maintain its liquidity. As a result, the company was largely unaffected by the slump in the hotel industry in 1999. Meanwhile, to boost future performance, the company has acquired a 51% stake in PT Juwara Warga Hotel Corporation.
