Financial Performance: The Company booked net income amounted IDR 5.172 billion in 2011, higher than last year income worth IDR 4.199 billion.

Brief History: Pyridam was established in 1976 by Mr. Sarkri Kosasih, a well-known person in pharmaceutical industry by then. The name Pyridam was inspired by the phenomena of Pyramids - one of the oldest Wonders of the World. Pyridam started by distributing veterinary medicines. Shortly, Pyridam began manufacturing its own-formulation animal health products, and a three-story factory building was built. It worked very closely to help farmers to develop advanced animal husbandry for that time. The work received recognition from the government, and Pyridam was awarded the title "Partner with Good Performance" in 1994 by the Ministry of Agriculture.

In 1985, Pyridam established its Pharmaceutical Division, which developed quickly. Accelerated improvement enabled Pyridam to build a brand new production plant on 35,000 sqm land in Cianjur, West Java, with state of the art design, machinery, and environmental management. The plant started its operation in April 2001. In late 2000, the management leadership was passed from Mr. Sarkri Kosasih to Mr. Handoko Boedi Soetrisno. Under new leadership, Pyridam opened up its ownership to the public, which proves that Pyridam complies with the overall conditions of a healthy and professional company.
