Financial Performance: The Company booked net income at IDR 6.525 billion in 2011, increase compare to net income booked in 2010 at IDR 2.430 billion.

Brief History: It was Mr. Suherlan's adherence to quality that drove the company to adopt the latest know-how from Japan, and it was his management of care that inspired the employees to give their best.

In time, Mr. Suherlan's guiding principle began to bear fruit.

Our flagship brand, Bellini, became the first to receive the SII (now SNI) certification. We became the first in the Indonesian textile industry to carry the ISO 9000 mark. We are also the first Indonesian textile company to utilize the revolutionary SAP technology, and we continually refer to the JIS (Japan Industrial Standard) of quality for all our raw and finished materials.

For us, these achievements are there to serve as a reminder.

A reminder that more challenges are yet to come, that more innovations are to be created and, more importantly, a reminder that the journey never ends.
