Business Constructions  
 Company Status BUMN

**Financial Performance:** The Company booked net profit at IDR 401.828 billion in 2011, or increased from IDR 311.241 billion in 2010.

**Brief History:** WIKA was born out of the nationalization process of a Dutch company bearing the name Naamloze Vennotschap Technische Handel Maatschappij en Bouwbedrijf Vis en Co. or NV Vis en Co. Pursuant To Government Regulation No. 2 / 1960 and Minister of Public Works and Electric Power (PUTL) Decree No. 5 dated 11 March 1960, WIKA was established with the name of Perusahaan Negara Bangunan Widjaja Karja. The first significant growth occurred in 1972, when the name Perusahaan Negara Widjaja Karja was changed to PT Wijaya Karya. WIKA then developed into a construction contractor by handling various important projects such as the installation of electricity grids at Asahan and the Jatiluhur irrigation project. As the Company developed more and more, so too did the public's confidence in the Company's capability. This was reflected in WIKA's success in launching its Initial Public Offering/IPO on 27 October 2007 at the Indonesia Stock Exchange. In the mid of 2009, WIKA together with other companies have succeeded in completing the Suramadu Bridge, a prestigious project that connects Java and Madura islands.
