Business Banking
Company Status PMDN

Financial Performance: Net profit had increased to IDR 492.6 billion in 2010 from IDR 368.7 billion in 2009.

Brief History: Since its establishment on 10 July 1970, Bank Bukopin has been focusing on UMKMK (Micro, Small, Medium and Cooperative Business) segment, and keeps developing it self to enter the medium bank category in Indonesia from assets perspective. In line with the opportunity and capacity improvement in serving wider scope of people's needs, Bank Bukopin has expanded its business segment into commercial and consumer segments. These three segments have become the pillar of Bank Bukopin's business, delivering either conventional or sharia' banking service, supported by optimum fund management system, advanced information technology, competent human capital, as well as good corporate governance best practices. This foundation has enabled Bank Bukopin to move forward and position itself as a credible bank. Bank Bukopin operation has been currently supported by more than 280 offices spreading in 22 provinces all over Indonesia under real time on-line connection. Bank Bukopin has also established micro-banking network namely Swamitra, with over 543 offices (outlets), as a realization of partnership program with cooperative unions and micro finance institutions. With a stronger capital structure as a result of the Initial Public Offering (IPO) conducted on July 2006, Bank Bukopin has been continually developing its operational program by implementing the scale of priorities in accordance with is well-defined short-term strategy. Implementation of the strategy is aimed to the fulfillment of comprehensive banking services to the customers, through its national and international network connection, range of products, as well as quality service that meet the high level of standard.
