Financial Performance: Net profit in the company has decreased to IDR 26.908 billion in 2010 from IDR 30,18 billion in 2009.

Brief History: The beginnings of Duta Anggada Group can be traced back thirty three years when in 1983 Duta Anggada Group, began its involvement in the Indonesian property market. The Company started out with strategic development of prime residential investment complexes, aimed at the international expatriate market and then developed a series of prime commercial office and retail investment properties to satisfy the rising demand for office and retail premises.

In order to maintain its leading position, Duta Anggada Group expanded its capabilities to include property development. Today, in addition to a substantial land bank, the company portfolio represents prestigious investment and development properties in the office, residential and retail sectors of Jakarta, Bali, Surabaya and other major Indonesian cities.

Duta Anggada Group is now regarded as a prime mover in the Indonesian property development business. Prime locations, quality construction and innovative architecture have characterized each and every Duta Anggada Group property and have earned the Company a high standing in the property investment and development fields.

In addition, Duta Anggada Group's strategy of prudent expansion for the sake of long-term value continues to fuel the Company's prosperity while contributing strength to its foundation of established excellence.
