Throughout its more than 40-year history, the Company has expanded by strategic acquisitions of pharmaceutical companies, building a leading brand positioning and reaching to international markets to transform itself into an integrated consumer health and nutrition enterprise with unrivalled innovation, marketing, branding, distribution, financial strength and R&D and production expertise to promote its mission to improve health for a better life. The Kalbe Group has an extensive and strong portfolio of brands in the prescription pharmaceuticals, OTC pharmaceuticals, energy drink and nutrition products, complemented with a robust packaging and distribution arm that reaches over 1 million outlets.
