All outlets are open from 09.00 – 22.00, 7 days a week. To guarantee a continued supply of goods to the outlets, the company has forged co-operations with 5000 suppliers, which have been affiliated with the company for an average of more than five years. Aside from retail and wholesale operations, the company also leases land to third parties as a media for product promotion. The main target market is middle-income earners and low to middle income earners. The company has a 90% stake in subsidiary, PT Beta Setia Mega, distributor of Unilever products, and a 51% shareholding in another subsidiary, PT Alfa Mitramart Utama, which operates in the retail trade sector.
