Business	Urban and Developer
Company Status	PMDN

Financial Performance: The Company successfully recorded net income at IDR 65.489 billion in 2010, versus net income booked in 2009 at IDR 2.457 billion.

Brief History: The company, founded in April 1993, is one of Indonesia's largest urban developers and is currently engaged in the development of Bukit Sentul as a self-contained family town. Marketing activities were commenced in September 1993, while construction of housing and infrastructure began in January 1994. The product range offered to consumers includes homes ready for occupation, construction-ready housing lots, golf course and golf club, and construction-ready commercial lots. Through careful planning, Bukit Sentul is able to build infrastructure capable of meeting both current and future needs that also blends well with the environment and local conditions. The company aims to build a new town in the cool Bogor area to the south of Jakarta by offering housing and commercial facilities for people working in Jakarta and the surrounding region. The company offered 400 million shares to the public, which shares were subsequently listed at stock exchange in Indonesia on July 28, 1997. As of June 30, 2000, all of the company's shares are listed at the stock exchange in Indonesia.
