Business Multimedia Broadcasting Services and Printing
House

Company Status PMDN

Financial Performance: Net profit jumped to IDR 530 billion in 2010 from IDR 285 billion in 2009.

Brief History: PT Surya Citra Media Tbk was formed on 29 January 1999 to operate as a holding company for multimedia services as well as consultancy services in the media and related business. The main purpose behind its creation, however, was to broaden the horizons of PT Surya Citra Televisi (SCTV), one of the largest TV broadcasting stations in Indonesia, today. As a media broadcasting company, SCTV is restricted by law to operate solely and exclusively as a broadcasting company for which it was licenced for. Yet, the business prospects of an integrated multimedia services group are simply too promising to be ignored. Hence, the establishment of SCM signified the emergence of a highly prospective multimedia group with long-term growth opportunities. SCM subsequently acquired 100% share of SCTV over a period of time between November 2001 and April 2002, and went public in July 2002.
