Business	Agribusiness
Company Status	PMDN

Financial Performance: In 2010, the Company booked net income at IDR 805.63 billion, step up from IDR 252.783 billion booked in previous year.

Brief History: The history of PT Bakrie Sumatera Plantations Tbk ("BSP" or "Company") was started with "NV Hollandsch Amerikaanse Plantage Maatschappij" which was established in 1911. In year 1986, Bakrie Group took over all the company's shares from Uniroyal Sumatera Plantations, a subsidiary of Uniroyal Inc. United States of America. The name was then changed to "PT United Sumatera Plantations". In 1992, the Company's name became "PT Bakrie Sumatera Plantations". Finally in 1997, to comply with the Corporate Law and the Capital Market Law, the Company was subsequently renamed to "PT Bakrie Sumatera Plantations Tbk". The take-over marked Bakrie Group's involvement in agro-business.

The year 1990 was a historical year for the Company, whereby it listed 30% of its shares at the Jakarta Stock Exchange (JSX) and Surabaya Stock Exchange (SSX), using "UNSP" as the code for the company's stocks transaction at both exchanges. Since 31 December 1999, the Company listed 100% of its stocks at JSX and SSX.

As a company with a core business in rubber plantations, BSP group produces natural rubber with various product types and quality. In addition to being used as raw materials for tires, natural rubber can also be developed into other range of products from rubber thread to adhesives. The Company maintains a flexible process of production to enable it to fulfill the various specifications required by its clients.
