Business Leasing, Factoring, Consumer- Financing
Company Status PMA

Financial Performance: The Company booked net income at IDR 425.382 billion in 2011, increased from IDR 362.08 billion in 2010.

Brief History: Bunas Finance Indonesia was founded in 1982 as a joint venture under the name of PT Manufacturers Hanover Leasing Indonesia. The largest shareholder in the venture was United States-based Manufacturers Hanover Leasing Corporation, with Bank Umum Nasional (Ongko Group) and A.H.K. Hamami as local partners. In 1986, Manufacturers Hanover Leasing Corporation sold its stake to the Ongko Group and the venture changed its name to PT Bunas Intitama Leasing Indonesia. In March 1990, the company was granted a license for multifinance operations, enabling it to diversify into capital leasing, factoring, consumer finance, and credit cards. In keeping with its new status, it changed its name to PT Bunas Finance Indonesia (BFI). On May 16, 1990, the company listed its shares on the Jakarta and Surabaya stock exchanges. BFI is one of Indonesia's largest multifinance companies, providing capital leasing and financing of car and motorcycle purchases throughout Indonesia. Following the onset of Indonesia's financial crisis, the company began to shift its core operations, which are now focused on consumer finance for car and motorcycles and leasing of commonly used heavy equipment. Operating through 16 branches located in major cities throughout Indonesia, BFI is well positioned for effective collection of payments due. In early January 2000, BFI launched its capital leasing and consumer finance operations, made available through most of the company's branch network. The company's financial and share ownership restructuring is now in the final stages. Following the completion of the restructuring, BFI will have a sound balance sheet in much better shape compared to the past, enabling it to respond to the strong demand for consumer finance.
