Business Banking
Company Status PMDN

Financial Performance: BTPN still managed to maintain the momentum of higher net income that reached IDR 1.977 trillion in 2012, increased compared to last year income at IDR 1.399 trillion.

Brief History: PT Bank Tabungan Pensiunan Nasional Tbk (BTPN) was established in Bandung on 5th February 1958, under the name of Bank Pegawai Pensiunan Militer (BAPEMIL). BAPEMIL was set up as an association that received deposits and provided loans to its members. At that time, BAPEMIL's objectives was to help alleviate the economic well-being of pensioners, both the military and civil servants.

In 1986, after gaining public trust as well as trust from its business partners, BAPEMIL members successfully upgraded the institution to form PT Bank Tabungan Pensiunan Nasional that was licensed to operate as a savings bank. In 1993, the Bank subsequently progressed further and gained its commercial bank license.

The year 2008 marked important milestones for the Bank. On 12th March 2008, BTPN successfully went public with the sale of 28.4% of the government's shares, c.q. PT Perusahaan Pengelola Aset (PPA). Subsequently, on 14th March 2008, TPG Nusantara, S.a.r.l. acquired a 71.6% stake in BTPN, and became the major shareholder of the Bank.

Besides continuing to expand of its core pension business, which has been it's backbone for 50 years, the Bank entered the micro and small enterprise (MSE) and Sharia businesses, with the opening of 46 branches of btpn | mitra usaha rakyat throughout Indonesia and 2 (two) sharia branches in Bandung and Jakarta, at the end of 2008.

Now, BTPN is a medium-scale, financially-strong and well-recognized commercial bank.
