Business Food and Restaurant  
Company Status PMDN

**Financial Performance:** The Company booked net income at IDR 206 billion in 2012, decrease from IDR 229 billion in 2011.

**Brief History:** The company, founded in 1978 by the Gelael Group, is the exclusive Kentucky Fried Chicken (KFC) franchise holder for Indonesia. On October 10, 1979, the company opened its first KFC restaurant on Jalan Melawai, Jakarta. The success of this first KFC restaurant had led the company to dominate the fast food market leader in Indonesia for the past 17 years. More and more KFC restaurants were built in Jakarta and other major cities in Indonesia. As of the end of 1996 the company operates 148 KFC restaurant in 30 major cities in Indonesia. The company's KFC core products: the Colonel's Original Recipe Chicken and Hot & Crispy Chicken, are consistently rated as the best tasting chicken in various Indonesian consumer surveys, both are very well accepted in Indonesia, where chicken consumption rate is significantly higher than any other types of meat products. The acceptance of the KFC core products are further enhanced as the company also offers local menu favorites in its KFC restaurants: rice (Indonesian staple food), perkedel (potato croquette), lumpia (egg roll), as well as Indonesian Soup to supplement the core products. To obtain feedback on the company market performance, an independent research company was engaged since 1998 to conduct quarterly Brand Image Tracking Study (BITS) to track down consumers perception and brand image of leading players in the fast food industry.
