Financial Performance: Net income the company has earned in 2012 amounted IDR 44.339 billion, decreased from net income from IDR 93.89 billion in 2011.

Brief History: PT Indorama Synthetics Tbk, commenced commercial operations in 1976. It is the largest polyester producer in Indonesia and one of Indonesia's largest exporters with a total polyester manufacturing capacity of about 280,000 tons per annum.

The company is listed on the Indonesia Stock Exchanges. In 2009, the company's sales was US\$ 490 million and assets of US\$ 545 million.

The company positions its products directly into its markets and has created a unique identity for itself. The company sells to the premium markets of North America and Europe and the fast growing markets of South America, Asia, Australia and the Middle East.

A continuous process of reinvestment and productivity-enhancing programs have made PT Indorama one of the leading producers of polyester and its applications worldwide. This strength combined with the benefits of a low-cost base, results in a twofold advantage: premium quality at a low cost.

Our business is all about delivering superior quality, consistency and reliability with the right service every time. PT Indorama is involved in four businesses.
