Business Shares Information Services and News

Company Status PMDN

Financial Performance: In 2012, the company booked net loss at IDR2.089 billion while last year booked net income at IDR4.605 billion.

Brief History: This Jakarta-based company was founded in June 1996 with the purpose of providing financial information services through a range of innovative products. In the third quarter of 1999, the company established a strategic alliance with Standard & Poor's Comstock Inc. That year in November, the company launched its first product, StockWatch, and entered into cooperation with the private TV station SCTV in the production of the prime time Liputan 6 news show. In January 2000, the company started working with the JSX in the presentation and distribution of financial information to all exchange members. At the same time, the company set up a network linking all buildings in the Sudirman Central Business District. In March 2000, the company entered into a cooperative agreement with the Surabaya Stock Exchange in provision and distribution of on-line data before going on in June to launch the www.e-bursa.com website, a portal for providing financial information to brokers and investors in Indonesia. In September 2001, the company added real-time data from the Surabaya Stock Exchange for forward transactions on the LQ45 stock index to the StockWatch terminal.
